# Correction: Children's rights and restrictive measures during the COVID-19 pandemic: implications for politicians, mental health experts and society

Jörg M. Fegert<sup>1,2\*</sup>, Helena Ludwig-Walz<sup>3</sup>, Andreas Witt<sup>1,4\*</sup> and Martin Bujard<sup>3,5</sup>

**Correction to: *Child and Adolescent Psychiatry and Mental Health* (2023) 17:75**

<https://doi.org/10.1186/s13034-023-00617-8>

Following publication of the original article [1], the author noticed the errors occurred in the formatting of values and in the reference list. Now, these errors have been corrected with this erratum.

In fourth paragraph, there is a formatting error in the values which should be 477,000 instead of 4,77,000.

In first reference, the publication year has repeated twice which has been corrected now:

Arora et al. Heat waves, the war in Ukraine, and stigma: Gen Z's perspectives on mental health. In: McKinsey and Company, 2022. <https://www.mckinsey.com/mhi/our-insights/>

[heat-waves-the-war-in-ukraine-andstigma-gen-zs-perspectives-on-mental-health](https://doi.org/10.1186/s13034-020-00329-3) (Accessed 18 April 2023).

The DOI link has been included for the below references:
