<https://doi.org/10.1186/s13034-018-0239-y>

Following publication of the original article [1], the authors flagged an error in the “Authors’ contributions” section of the article.

The (incorrect) text in this section says:

BH and JB conceptualised the study. JB supervised data collection, PH, AD and GGP analysed and interpreted the data and drafted the manuscript. BH, NW, and CS revised the manuscript critically. All authors read and approved the final manuscript.

As such, please be advised that the correct text (*correction in bold) is:

BH and JB conceptualised the study. JB supervised data collection, PH, AD and GGP analysed and interpreted the data and **PH drafted the manuscript**. BH, NW, and CS revised the manuscript critically. All authors read and approved the final manuscript.
